OVER

GENERAL – The 2010 Census data products meet a variety of data needs for different segments of the data user community. The data products described here provide a summary of the general tabulation and publication program for the 50 states, the District of Columbia, and Puerto Rico (which is treated as a state equivalent for most data products).

Summary Files include all or some of the following: quick tables (including demographic profiles) and geographic comparison tables. Thematic maps now are available as a function in American FactFinder. Download capability includes FTP and American FactFinder download options.

This document is available on the Internet at < <http://www.census.gov/population/www/cen2010/glance/index.html> >.
